Model# PSCMC67UE
Kit Model# PSCK-MC67UE
(Includes Cables and Power Supply)

Software drivers support Windows Mobile OS

Spare Battery Charging

Switchable USB and Ethernet Connections

10/100 Mbps Ethernet

Preferred solution for high-speed applications

Consistent

Built with the same quality, reliability and form factor that customers have come to expect, the PSCMC67UE cradle adds flexibility to the latest generation of Motorola Mobile Computers.

Broad Support

Migrating from legacy handheld devices to newer technology can be a logistical challenge. Intelligent, flexible accessories such as the PSCMC67UE cradle by Portsmith can help smooth the bumps in the transition. With Support for the MC55 , MC65 and MC67 Series, this cradle covers the gap as customers continue to upgrade their equipment.

Charge and Manage

Having the ability to charge and maintain a network connection, the PSCMC67UE allows network administrators to download data and updates while the devices charge for the next shift.
